Policy 1: Governance & Management of Quality

MIDAS Group is committed to maintaining the highest standards of governance and the management of quality systems. It is committed to the active development of an ethos which recognises the importance of quality assurance, ensuring the improvement, enhancement, and the maintenance of the integrity of the service being provided. The Board of Management and the Academic Committee are responsible for the implementation and maintenance of Governance and Quality Assurance standards throughout the organisation.

The Board of Management has the primary responsibility for corporate governance within MIDAS Group and the Management Operational Team is responsible for the overall delivery of quality to all stakeholders.

MIDAS Group has an open community that values critical reflection and fosters personal and professional development for both learners and staff. Staff are appropriately qualified and experienced. There are processes in place to ensure that the content of programmes reflects advances in the relevant disciplines and that the pedagogic style incorporates national and international effective practice.

MIDAS Group is committed to the active development of a culture which recognises the importance of quality, quality assurance, quality improvement and enhancement.
