

One Day Interactive Workshop on Data Protection

Midas Group © 2018

GDPR - General Data Protection Regulations

Designed to help you make clear decisions on what changes are needed for your business and implement a customised and relevant Data Protection Action Plan into your business's Policies and Procedures

The GDPR builds on and replaces data protection law and aims to strike a balance between the rights of individuals and the interests of those with legitimate reasons for using personal information

One day Practical Workshop in
Data Protection - Becoming
GDPR Ready
Courses commencing on 20th April
